Paddington 9780007943135

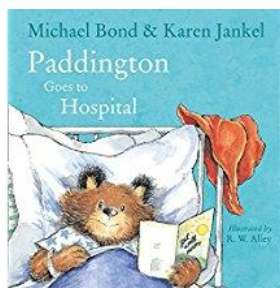

The classic story of the bear from Darkest Peru who arrived at Paddington Station with nothing but a suitcase, a half-empty jar of marmalade and a label that read 'Please look after this bear. Thank you.' Mr and Mrs Brown discovered him, named him Paddington and welcomed him to their home, where he has lived ever since.

Paddington in the Garden 9780007943159

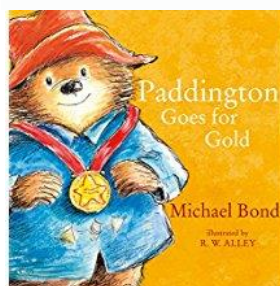

A funny picture book about Paddington, the beloved, classic bear from darkest Peru. For Paddington, one of the nicest things about being a bear and living with the Brown family is being able to share their lovely garden. But gardens don't just happen, and the one at number thirty-two Windsor Gardens keeps the whole family busy, so Paddington is only too pleased to lend a paw when they give him a chance. He may not have green fingers, but the fact that paws and marmalade are never far apart

leads to some unexpectedly colourful results during National Garden Week.

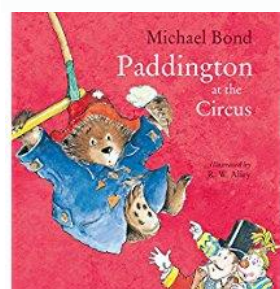

Paddington Goes to Hospital 9780007968237

"We should never have given Paddington a boomerang for his birthday," said Mrs Brown as she gazed down at the figure lying on the lawn. "I knew no good would come of it." Paddington let out a groan. Paddington has got himself into trouble again, and this time it's serious. After trying to get his kite out of a tree, by rather unorthodox methods, he finds himself being whisked off to hospital in an ambulance. He is examined by doctors, is X-rayed and is eventually operated on. Full of the humorous misunderstandings and adventures that this lovable bear is famous for, this is a great story for the young Paddington fan who is apprehensive, or merely curious, about what goes on inside a hospital.

But whether he's putting the shot, helping Jonathan and Judy get ready for the three-legged race, or taking part in a relay, nothing goes quite as planned. Will a gold medal ever be within Paddington's reach?

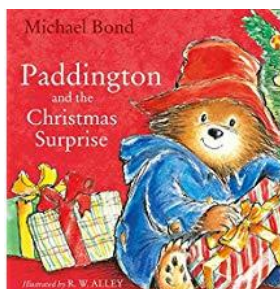

Paddington at the Circus 9780007968244

The circus has come to town and Paddington and the Browns have front row seats. But Paddington become anxious when he looks up and sees a man dangling from a rope by his ankle; always ready to lend a paw, he rushes off to save the trapeze artist and as a result the circus is turned upside down. Paddington, however, comes out on top as the star of the show.

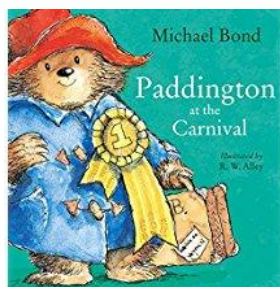

Paddington and the Grand Tour 9780007943173

The classic bear from Darkest Peru, who was found on Paddington Station, returns for a day of London sightseeing in this hilarious picture book. With his suitcase packed full of marmalade sandwiches and Mrs Bird's umbrella (in case it rains), Paddington sets out for a day of sightseeing with his friend, Mr Gruber. How can he know that the tourists will think he's their tour guide? And how is he to guess that they will follow him everywhere?

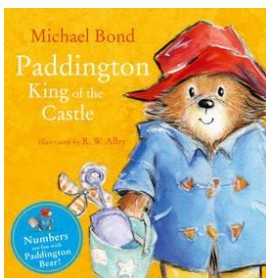

Paddington and the Christmas Surprise 9780007943142

A funny, festive picture book about Paddington, the beloved, classic bear from darkest Peru. When the Browns take Paddington to the Christmas grotto at the local department store, their journey through the Winter Wonderland is full of unexpected surprises. But the best surprise is a present from Santa. After all, who else would find the perfect present for a bear like Paddington? Join Paddington on his festive adventure as he discovers why Santa Claus makes everyone's Christmas so special.

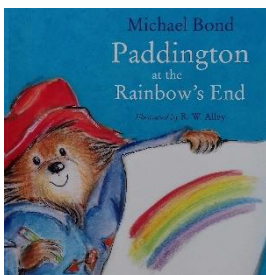

Paddington at the Carnival 9780007943203

Paddington soon discovers that he's very good at spotting things beginning with the letter B, but it seems that he's not the only one with his eye on the prize.

Paddington King of the Castle 9780007968268

A Bear Called Paddington, ISBN: 9780007943456

Paddington Bear had travelled all the way from Darkest Peru when the Brown family first met him on Paddington station. Since then their lives have never been quite the same... for ordinary things become quite extraordinary when a bear called Paddington is involved.

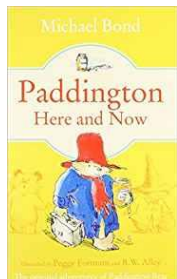

More About Paddington, ISBN: 9780007943463

As Paddington says himself "Things happen to me – I'm that sort of bear." And, with his attempts at home decorating, detective work and photography, the Brown family soon find that Paddington causes his own particular brand of chaos.

Paddington Marches On, ISBN: 9780007943500

Paddington's fondness for marmalade earns him an invitation to an "important ceremony." It also leads him into a lot of very stick trouble, but as always, he manages to come out on top.

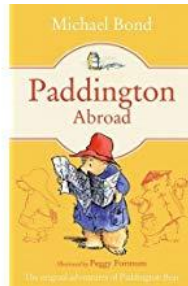

Paddington Here and Now, ISBN: 9780007943579

Paddington Bear always manages to find himself in tricky situations, sometimes extraordinary situations. Like the time he had a difficult encounter with a policeman or when he found himself in deep water with a newspaper reporter. But since arriving from his native Peru after an earthquake Paddington has always felt at home with the Brown family who found him on Paddington station. Until one day, a surprise visitor arrives at thirty-two Windsor Gardens. Is it time for Paddington to decide where 'home' really is?

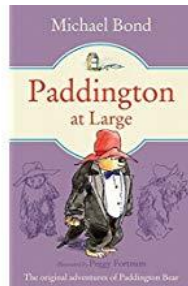

Paddington Helps Out, ISBN: 9780007943470

"Oh dear" said Paddington "I'm in trouble again." Somehow trouble always comes naturally to Paddington. What other bear could catch a fish in his hat, or cause havoc in the Browns' kitchen, just trying to be helpful?

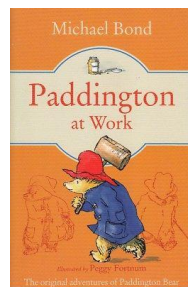

Paddington Abroad, ISBN: 9780007943487

Paddington is in charge of the "EYETINNERY" and, as Mrs Bird mutters darkly, "There's no knowing where we might end up." But Paddington is planning some very good holiday 'doings' indeed for the Browns. And he even becomes the only bear ever to ride in the famous Tour de France bicycle race.

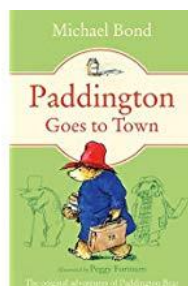

Paddington at Large, ISBN: 9780007943494

"Even Paddington can't come to much harm in half an hour," said Mrs Brown optimistically. But who else other than Paddington could hang Mr Curry's lawnmower from a treetop or set Father Christmas' beard on fire?

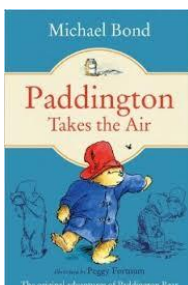

Paddington at Work, ISBN: 9780007943517

There hasn't been a single disaster since Paddington came back from Peru. But he soon makes up for lost time. The Stock Exchange, the ballet, the barber's shop, Mr Curry's kitchen... nothing is safe when Paddington gets to work.

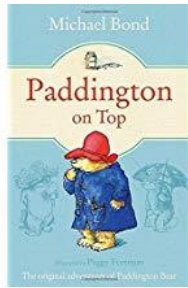

Paddington Goes to Town, ISBN: 9780007943524

Paddington doesn't intentionally turn his friend's wedding into an uproar by getting the wedding ring stuck on his paw. Nor does he mean Mr Curry to slip on his marmalade sandwich in the middle of an important golf shot. But these sorts of things just happen to a bear like Paddington.

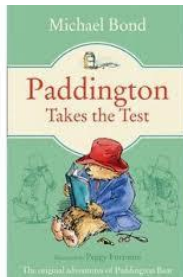

Paddington Takes the Air, ISBN: 9780007943531

"I do wish I could see into Paddington's mind," said Mrs Brown, "I know something's going on. I can recognise the signs." And there is plenty of cause for concern when Paddington takes an interest in detective work. Not to mention sewing and ballroom dancing.

Paddington on Top, ISBN: 9780007943548

“Goodness gracious” cried Mrs Bird. “What on earth’s that bear doing now?” Nothing is ever straightforward where Paddington is concerned. Whether he’s going to school, visiting the seaside or attempting to keep fit - one thing always leads to another.

Paddington Takes the Test, ISBN: 9780007943555

“Congratulations on passing your driving test” said the examiner, grimly. Who would have thought it possible when he has just sat on Paddington’s marmalade sandwiches and been driven into the car in front? But then, he hasn’t tested many bears before.

Paddington Races Ahead, ISBN: 9780007943562

“My legs are a bit short for the pole vault” repeated Paddington hotly. “But they’ve always been that way.” Paddington always manages to find himself in unusual situations. So, it is no surprise when he gets into a spot of bother with some shaving cream, causes a London bus to be evacuated, and is mistaken for a famous Peruvian hurdler by a film crew. There’s never a dull moment when a certain bear is around!
